Dear Ms. Brennan,

Congratulations!

The **Middletown High School & Vocational Agricultural Center** project has received a First Place Award in the New Construction category in the 2009 Connecticut Building Congress Project Team Awards Competition.

Plaques will be presented at the June 9th CBC Awards Banquet to be held at the Bond Ballroom in Hartford, Connecticut. CBC will provide plaques for the Owner, the Prime Design Professional and the Contractor listed for the Project. Also other current CBC members on your team will also receive plaques.

If you would like us to present plaques to others involved in the project, or offer them an opportunity to purchase a plaque for themselves, the purchase price will be \$70.00 for each additional plaque. Please let me know about any additional plaque orders as soon as possible.

We encourage you to bring a display board(s) of this project for attendees to view during the Awards Reception. Please plan to bring your own easels. CBC will show a PowerPoint presentation of the projects during the Awards Ceremony. A photographer will be available for photos during the presentations.

CBC will publish a Commemorative Program Booklet, which is to be distributed to everyone at the Awards Banquet. The Booklet will feature each of the winning projects as well as congratulatory advertisements. Attached please find information regarding advertising and sponsorship opportunities and also event registration. This information will also be sent to the team members you provided in your submittal.

In addition, news releases will be distributed throughout the region.

If you have any questions, please feel free to contact me.

Regards,

Sharon Roberts
