All Board of Education meetings are open to the public - visit our website: www.middletownschools.org

The Board of Education has voted to continue the practice of monthly early release days (with the exception of November, January and June) at all school levels into the 2011-2012 school year. The purpose of these early release days for students is to provide professional development/training and collaborative planning time for teachers. The elementary school students and the middle school students at Woodrow Wilson and Keigwin will have six monthly early release days. High school students will have six monthly late openings. All high school late opening days will occur on Wednesdays, middle school early release days on Thursdays, and elementary school early release days on Fridays (see below for dates and times).

The school calendar for the 2011-2012 school year with these teacher training days is on the reverse side. This calendar is also posted on the Middletown Public Schools website - www.middletownschools.org.
